Communications Expert

PROFESSIONAL SUMMARY

Strategic communications and media relations professional with over 10 years of experience developing and implementing communications strategies for nonprofit, governance, public health and international development organisations. Extensive experience in public relations, advocacy communications, media outreach, campaign promotion, digital engagement and organisational storytelling.

Proven ability to develop compelling narratives, secure media engagement, coordinate communications campaigns and translate complex policy and programme issues into accessible messages that inform public understanding and encourage civic participation. Experienced in building relationships with journalists, producing multimedia content, managing websites and digital platforms, and collaborating with multidisciplinary teams, civil society organisations and development partners.

Strong background in communications supporting democratic governance, human rights, youth inclusion, public participation and sustainable development. Holds Bachelor's and Master's degrees in Mass Communication, with professional certifications in storytelling and project management.

PROFESSIONAL EXPERIENCE

eHealth Africa

eHealth Africa is a non-governmental organization dedicated to building stronger health systems through the design and implementation of data-driven solutions that respond to local needs.

Senior Coordinator, Communications **April 2023 - Present**

Lead and support strategic communications, knowledge translation and research dissemination for public health and health systems-strengthening programmes, translating technical evidence, programme results and implementation learning into accessible communications for government, development partners, funders, media and public audiences. The role includes, but is not limited to

- Develop and implement integrated communications strategies and plans that support organisational priorities, programme visibility, stakeholder engagement and public awareness.
- Coordinate media relations activities, including identifying newsworthy stories, preparing press materials, engaging journalists and supporting earned media coverage across television, radio, print and online platforms.

- Produce and edit compelling communications materials, including press releases, opinion articles, feature stories, impact reports, newsletters, executive briefs and website content.
- Collaborate with senior leadership, programme teams and technical experts to develop clear, consistent messaging and communicate organisational priorities to diverse audiences.
- Support communications campaigns and public engagement activities promoting health equity, inclusion, community participation and sustainable development.
- Manage organisational websites and digital content using WordPress, Webflow and Squarespace, supporting audience engagement, accessibility and consistent messaging.
- Develop email newsletters and audience engagement campaigns through Mailchimp, using performance insights to improve communication effectiveness.
- Develop scripts and creative briefs and coordinate designers, photographers, videographers and external vendors in producing videos, documentaries, graphics and other multimedia content.
- Support the planning and promotion of webinars, learning forums and high-level stakeholder engagements involving government representatives, development partners, policymakers and civil society organisations.
- Prepare executive communications, including speeches, talking points, opinion articles, stakeholder messages and briefing materials.
- Monitor media coverage, digital engagement and communications performance to inform strategic planning and content development.
- Collaborate with multidisciplinary teams and stakeholders across African countries to deliver coordinated, audience-focused communications.
-

YIAGA AFRICA INITIATIVE

A Non-profit organization with 15 years of promoting democratic governance, human rights, and civic engagement in Nigeria & beyond.

Communications Officer Aug. 2017- April 2023

Drove development, implementation, training, and support of the organization's strategic Communication management, such as:

- Developed and implemented strategic communications and media engagement plans supporting democracy, human rights, youth participation and civic engagement campaigns.
- Conceptualised and coordinated a nationwide media engagement initiative during Nigeria's 2019 general elections, engaging radio stations across all 36 states to promote public awareness and citizen participation.
- Established and maintained professional relationships with over 250 journalists, strengthening media access and opportunities for organisational visibility.

- Conducted over 70 media interviews, securing appearances across eight national television stations, 12 radio stations and more than 10 national newspapers.
- Organised over 100 press conferences to amplify advocacy campaigns, public engagement initiatives and conversations on democratic governance and sustainable development.
- Wrote and edited over 100 opinion articles, press statements and news stories addressing elections, democratic governance, youth inclusion and sustainable development.
- Developed creative digital content and audience engagement initiatives, contributing to 300% growth in Twitter followers and 150% growth in Facebook followers over two years.
- Provided editorial direction for organisational publications, coordinating content development, design, production and dissemination.
- Scripted and produced 110 radio programme episodes across Nigeria's six geopolitical zones to promote citizen participation in electoral processes.
- Organised and coordinated training for over 100 journalists and media executives on data-driven journalism and accurate reporting.
- Facilitated engagement with 60 civil society organisations through roundtable discussions focused on inclusive democracy and sustainable development.
- Advised programme teams and partner organisations on communications planning, public relations, advocacy messaging and stakeholder engagement.
- Produced press releases, reports, articles and communications materials for USAID-funded governance and civic engagement programmes.

Media & PR work

- Responsible for editorial direction, design, production and distribution of publications.

- Developed an up-to-date database of journalists across Nigeria and established a working relationship with over 250 journalists.

- Organized and managed the training of over 100 Journalists and media executives on data- driven journalism to counter fake news with accurate reporting of the Nigerian political atmosphere. Result: 80% excellent rating of participants regarding coordination, resource persons and communication.

- Developed Scripts and produced 110 episodes of radio programs across the 6 geo-political zones, on citizens participation in electoral process.

- Organized roundtable discussions with 60 Civil Society Organisations on inclusivity in democracy and sustainable development.
