MOSHOOD ISAH

STRATEGIC COMMUNICATIONS | PUBLIC HEALTH | IMPACT STORYTELLING

COMMUNICATIONS PROFESSIONAL | 10+ YEARS OF EXPERIENCE

Communications professional helping mission-driven organisations turn complex programmes, evidence and leadership perspectives into clear stories that build trust, understanding and engagement. Working at the intersection of public health, international development and strategic storytelling, connecting programme evidence with policymakers, donors, development partners, journalists, communities and internal teams.

PROFESSIONAL EXPERIENCE

eHealth Africa

Communications

Support communications for immunisation, digital health, health systems strengthening, maternal health, disease surveillance and related initiatives.

Work includes impact reporting, publications, executive messaging, earned media, newsletters, websites, webinars and multimedia storytelling.

Yiaga Africa

Communications

Developed national media and citizen-engagement communications, produced editorial content, supported advocacy initiatives and built relationships with journalists across Nigeria.
